1. Call to Order

The Board meeting was called to order by Philip E. Larson, Chairman, on Wednesday, September 16, 2015, at 8:00 a.m.

2. Public Comment

No public comment was offered.

3. Case A1-045735

International Brotherhood of Teamsters, Local 14 v. Clark County School District and Education Support Employees Association

Chairman Larson invited comments from those in attendance. Frank Flaherty stated that the motion was not moot because ESEA had recently filed a writ with the Nevada Supreme Court. He also denied that ESEA's strategy is to delay the election. He stated that in reality ESEA's strategy is to stop the election. He further urged Teamsters Local 14 and the Board to join in the request to the court that it expedite the matter. Finally, he requested that the Board both grant the pending motion and to join ESEA in expediting the matter before the Nevada Supreme Court.

Kristin Martin reviewed the procedure of the Nevada Supreme Court handling the writ and explained that the process would take longer than expected. She further stated that there is no benefit at this point in delaying the election.

Commissioner Snyder then gave an overview of the status of preparations for the election and the costs incurred to-date and expected to be incurred in the future.

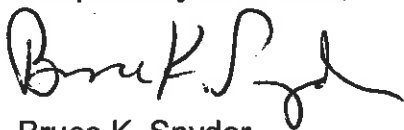

Kristin Martin reiterated that it is time to bring this matter to a conclusion. Frank Flaherty summarized that the motion was not meant as a means to stall but rather a means to promote labor stability among the unit at the school district.

The Board thereupon voted to go into closed session to deliberate on the matter. Upon returning to open session, upon motion, the Board denied the Motion to Stay Runoff Election Preparation and Expenditures Pending Judicial Determination on Writ Petition.

4. Additional Period of Public Comment

No public comment was offered.
